Curriculum and More

Organised and manageable for any STEM teacher!

Storage for VEX Coders, Coder Cards, and a charging station for VEX 123 robots - organisation that makes it easier than over for students and teachers to keep track of their kits. Classroom Bundle bags make storage or traveling simple.

Curriculum Linked Resources

All curricular resources are aligned to educational standards. From STEM Lab Units, your online teacher's manual, to activities designed for independent student use – VEX offers the support you need to teach with confidence.

Free Curriculum Included

Lessons cover a range of subject areas, making cross-curricular STEM and coding connections easy and fun! Bring your STEM or Computing curriculum to life or integrate into core subjects like numeracy and literacy - the VEX curriculum takes the guesswork out of implementation.

Coding	Literacy	Numeracy
Touch to Code	**Meet Your Robot**	**Number Line**

Bring STEM Labs to Your Classroom

Dragon in the Village	**Moving from Touch to Coder**
Intro to Coding	**Find the Bug**
Role Play Robot	**Calm Down Robot**
Coding Fundamentals	**30+** additional Activities to choose from!
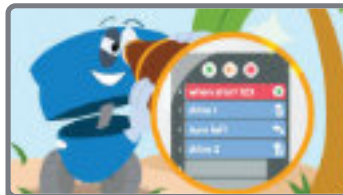

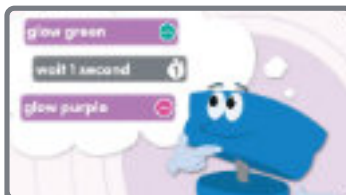

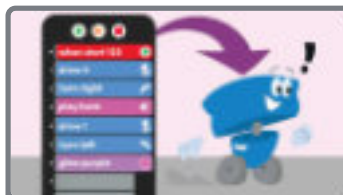

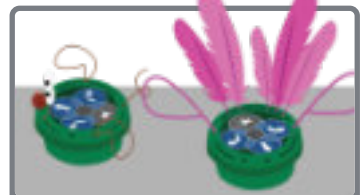

Free Educational Resources
