TESTIMONIALS:

I found working with SG Education for the Free Book Scheme to be extremely effective. The communication was excellent, along with the wide range of products they offer. They allowed us to create bespoke student packs, along with completing a bulk order of other products we needed. Overall, a very positive experience.

Yann Teyssou - St Clare's Comprehensive. Co. Leitrim

Excellent service from start to finish. No matter the request, it was never too much trouble and always dealt with in a courtesy manner. Packaging and label of boxes for each year group were accurate considering the amount of packaging. Looking forward to doing business again this summer.

Secretary - Colaiste Chiarain Croom. Co. Limerick.

Thanks very much to SG Education, I would highly recommend them. Professional service and quick delivery.

Rachel Flynn Free Book Scheme Co-ordinator - St Mary's Baldoye, Co. Dublin.
